

Wednesday Night ONLY Registration Form

Pennsylvania
2009 "Going Green" GRAND SESSION
Job's Daughter International

Rooms are available Wednesday, June 17, 2009 at the hotel. It has been requested by the hotel that we pay for our entire bill at one time and not split out the Wednesday nights from other nights. With this said, we must maintain a separate way of accounting for this night and those that will be coming up early. **The room costs are only \$108** (this includes tax) for one night – no matter how many people are in this room.

For example – if Susie and Mary are coming up on Wednesday night – they would split the cost of the room and each would owe only \$54. The committee is requesting that if you are coming up Wednesday evening and are going to have roommates – that you list these roommates on this form – but that we receive **ONE CHECK** with this registration form for the **\$108**.

We have asked that the hotel will allow you to stay in the same room the entire time and that you should not have to change rooms on Thursday. Please try to maintain the same roommates if possible in order to do this.

If you have any questions on WEDNESDAY NIGHT ONLY – please contact Jan Harms.

.....
YES – I am coming up Wednesday night and need a room!
