

Job's Daughter KEY – Program

Keeping Every jobY

What is it?

The Job's Daughter KEY Program is a program put together for the purpose of KEY-ping our daughters active. It is important that, in addition to rewarding those daughters who bring in NEW members, we should also recognize those daughters that "stick around" and give their ALL to Job's Daughters.

How does it work?

Each Bethel will be given "Jobie Bucks" that may be used to purchase items from the Jobie Store.

These "Jobie Bucks" will be given out to the daughters as they do certain things within the Bethel, or attend certain activities. The more activities a daughter attends the more "Jobie Bucks" she can receive. See below for further descriptions and examples on how and when to distribute the "Jobie Bucks".

How do I earn "Jobie Bucks"?

"Jobie Bucks" can be distributed through the Bethel at various activities (see suggestions below), or at state activities and even by our MJD, CONGO and GBHQ as they travel to each Bethel! But one great way that a daughter can earn more "Jobie Bucks" is by initiating new members! For each new member that is brought into the Bethel by a daughter, she will receive \$10.00 in "Jobie Bucks".

What do I do with these "Jobie Bucks"?

As you accumulate "Jobie Bucks", whether it be one, ten, twenty or more, hold on to them and visit the Jobie Store during its scheduled hours of operation (October Sports Weekend, Fall & Spring Grand Bethel Weekends, Volleyball Weekend and Grand Session 2008) to purchase items with your "Jobie Bucks". You may also browse the items available at the Jobie Store the PA Job's Daughters Website at www.paiojd.org.
